REGION 7 RALLY

AUGUST 20-25, 2020

**Rippling River Resort Campground
Marquette, Michigan**

In the beautiful Upper Peninsula

Region 7 presents for your enjoyment the *Anatomy of a Murder* Rally.

The theme for this rally is “Anatomy of a Murder.” You will learn about John Voelker, author, lawyer, and supreme court justice for the State of Michigan.

His defending an accused murderer, writing several books, and being part of the Hollywood movie-making business, all happened in Marquette County, MI.

You will tour where the trial took place, visit the bar where the shot was fired, learn from the current bar owner his version of the events, enjoy an historical recount from a local retired judge, and watch the *Anatomy of a Murder* Movie.

All of this and more will happen for you during the 5 days that you join the 2020 Region 7 Rally in Marquette! Welcome!
